Our mission at Beth Cross Centre of Dance & Voice is to create a positive space for all to experience a fusion of the traditional elements of dance and vocals with the newest and most exciting styles. We are an innovative performance studio where hard work and fun come together to nurture and teach a passion for the arts. Our purpose is to provide quality instruction with the convenience of one facility, to foster an appreciation of dance and vocal. Here at Beth Cross Centre of Dance & Voice, we strive to provide every student with exceptional instruction, and every parent with exceptional service.

Here at BCCDV we strive to have an open line of communication at all times between staff, students, and families. Please feel free to talk to staff members before or after class times, call the studio, or email staff members at any time.
